Sir,

ELECTIONS - Steel and wooden ballot boxes - storage and maintenance instructions issued.

...

Ref: Govt.Memorandum No.610/52-17 Public (Elections) Department dt.7.10.52.

...

The Government have ordered that the place o storage of steel as well as wooden ballot boxes should be in dr places and well protected against rain and dampness and that th boxes should as far as possible be taken to interior centres' to stored in a dry atmosphere. It is stated that sea coast towns w are charged with saline air and places subject to heavy rain ar not suitable for the storage of boxes. Except Karkal and Puttur taluks Viz., Mangalore Kasargod Udipi and Coondapur are coastal towns. They are also subject to heavy rain. The rainfall in Puttur and Karkal are very heavy (130 inches normally) and henc they too are unsuitable for storage of ballot boxes. The only alternative is to transfer the boxes to some other dry district There are 2875 green, 3322 mahagony and 5883 wooden ballot boxe in this district. Coimbatore might be suitable to store the ballot boxes according to the instructions of the Government. I therefore request that the Government may be pleased to order t transfer of the ballot boxes of S.Kanara district to Coimabtore district for storage and maintenance.

NOTE:

The correspondence in the c.f. may be perused. Acc ing to para I of the instructions issued in Memo.No.610/52 Public(Elections), dated 7-10-52, steel ballot boxes have t be stored as far as possible in places which are dry and w protected against rain and dampness. Sea coast towns and places subject to heavy rain are not suitable for the purp Hence the Collr. of South Kanara enquired whether the boxe available in his district may be preserved in Coimbatore a it is suitable for storage. The Collector of Coimbato

who was enquired in the matter has stated that the existing accommodation in Govt. buildings in his district is not sufficient even for the boxes ~~available in~~ his district and that the boxes of South Kanara could not be stored there. In the circumstances the Collr. of South Kanara may be asked to addre other neighbouring Collectors in the matter. The draft ~~above~~ overleaf is submitted for approval. There are 2875 green, 3322 mahagony bungo boxes and 5883 wooden ballot boxes used during the last general elections in this district. This district is subject to heavy rains and its climatic condition is therefore not suitable for the storage and maintenance of the eballot boxes according to the instructions contained in the Government memorandum first cited. This district is also a coastal one and is charged with saline air. As the boxes have to be stored in a dry atmosphere the Government were addressed to order the transfer of the ballot boxes to some neighbouring dry district. In their memorandum third cited the Government have directed me to consult the Collectors of the neighbouring districts directly in the matter with reference to para III(2) of Government memorandum No.610-52-17 Public (Elections) Department dt.7.10.52 and to submit a report to the Government. I therefore request you to suggest one or two select centres in your district for the storage of the ballot boxes so that I may recommend these select centres to the Government for the storage of the ballot boxes now in this district.

I have already selected Puttur and Karkal Taluks for the storage and maintenance of the steel and wooden ballot boxes available in this District as they are the only non coast taluks which are not charged with saline air. There are no Government buildings or any buildings belonging to the local bodies suitable and adequate for the storage of ballot boxes either in Karkal or Puttur. The Revenue Divisional Officer Coondapur has selected a suitable private building on a rental of Rs. 50/- per month in Karkal which is capable of accommodating about half the no.of the ballot boxes available in this district. There are altogether 12080 ballot boxes in this district. The P.W.D.Department has been requested to inspect the building with regard to its suitability and the proposed rent. Final report in the matter has not been received so far. I have asked the Revenue Divisional Officer Puttur to select some private building in Puttur also to accommodate the remaining half the number of the boxes in consultation with the Junior Engineer, P.W.D. Puttur. His proposals have not been received in the matter so far. They have been reminded to expedite their proposals. I shall submit my proposals to Government by the end of this month.

1. In continuation of my report cited, I am to state that the Executive Engineer South Kanara Division has approved the building selected by the Revenue Divisional Officer Coondapur at Karkal for the storage of about 6000 steel and wooden ballot boxes. He has als certified that the rent of Rs.50/- per mensem is reasonable having re gard to local conditions and the scale of accommodation provided. There are no Government buildings or any buildings belonging to the local bodies suitable and adequate for the storage of ballot boxes in Karkal. I therefore recommend that ~~this~~ Government may be pleased to approve my proposals to obtain on rent this tiled building in S.N 485-2 and 3 of Kukkundur village of Karkal belonging to Dr.N.M. Adyanthaya, registered Medical Practitioner, Honorary Medical Offic Government Hospital Karkal on a rent of Rs.50/- per month. As the own of the building is desirous to know whether his building is require by the Government or not I request early orders so that it may not l let out to anybody else.

2. As regards the storage of the remaining 6000 ballot boxes it ha not been possible to find suitable accommodation either at Karkal o Puttur so far. Efforts are being continued to secure a suitable building in consultation with the Executive Engineer, South Kanara Division. I shall submit a further report in the matter as soon as suitable building is selected.

Ref: From the Collr. of South Kanara, letters No.Ref.C.No.26667/52-All-1, dated 22-12-1952 and 26-3-53.

The correspondence in the c.f. may be perused. According to para 1 of the instructions issued in Memo.No. 610/52-17, Public(Elections), dated 7-10-52, steel ballot boxes have to be stored as far as possible in places which are dry and well protected against rain and dampness. Sea coast towns and places subject to heavy rain are not suitable for the purpose. Hence the Collr. of South Kanara enquired whether the boxes available in his district may be preserved in Coimbatore as it is suitable for storage. The Collr. of Coimbatore who was enquired in the matter has stated that the existing accommodation in Govt. buildings in his district is not sufficient even for the boxes of his district and that the boxes of South Kanara could not be stored there. In the circumstances, the Collr. of South Kanara may be asked to address other neighbouring Collrs. in the matter. The draft overleaf is submitted for approval. (The Collector's letter since received at p.13 c.f. is submitted for perusal.)

(From the Collr. of South Kanara, letters Ref.C.No.26667/52 All, dated 2-6-53 and 16-6-1953).

Please see the letters from the Collector of South Kanara on pp.23-25 c.f. in reply to the Memo.No.5271/52-4, dated 2-4-53. The Collectors of Malabar, Madurai, Coimbatore and Bellary have reported that there is no accommodation in their districts for the storage of ballot boxes of South Kanara District. In the above circumstances, the Collector of South Kanara may be asked to store the ballot boxes in his district itself in one or two select centres and submit suitable proposals for the approval of the Govt. ~~A draft Memo. is submitted for approval.~~ By telegram the centres the Collr. are to be requested to see that they are, as far as possible, situated in dry areas. A draft Memo is submitted for approval.
